### Film on Life Of Christ To Be Shown

The most detailed depiction of the life of Christ ever filmed, just completed after four years in production, is to be presented in six episodes of 60 minutes each by the WALTERIA Community Methodist Church on Sunday evenings, starting Feb. 19.

"This living Christ series was photographed in full color," Don Moore, general chairman said. "Its cast includes more than 200 speaking parts. Never in the history of church teaching have people been offered the opportunity to get so complete a political, economic and religious background to the greatest story ever told."

Hezekiah, it is a complete pictorial account of events from his nativity through the crucifixion and the resurrection.
